

# A Living Tribute

*Celebrate and Honor Those You Love*

This is an exciting year for Crown of Glory as we complete construction of our beautiful church. During winter we begin to focus on outdoor landscaping needs in preparation for spring/summer plantings. Our landscaping plan includes installing approximately 75 trees to include: oak, maple, hackberry, pine, and river birch trees.

**Here is a special way you can help.** Crown of Glory is offering families the opportunity to purchase a tree as a way to help offset the cost of the new landscaping. More importantly, purchasing a tree is a wonderful way to create a meaningful and living tribute to those you love.

- Honor your family
- Memorialize a loved one
- Celebrate a life event
- Create a living tribute
- Help renew and restore our landscape

*"He is like a tree planted by streams of water that yields its fruit in its season, and its leaf does not wither. In all that he does, he prospers." Psalm 1:3*
